10. IQAC received duly verified and then forwarded the prayer of Semanti Das, Assistant Professor in the department of Geography for promotion under CAS from stage I to stage II w.e.f. 16.06.2023 with supporting documents.

11. The 2022-2023 student feedback report indicates that most students who participated in the feedback process answered positively (Excellent and Good) on practically every topic. More than 20% of students are extremely satisfied with aspects like Teachers' Availability, Personal Interaction with Teachers outside of Class Hours, Scholarship chances, Drinking Water quality, and Discipline. Between 10% and 20% of the students rated the provision of internet facility, common room, canteen, cycle stand, and lavatory or toilet as moderate to poor.

The teachers' Feedback report indicates that the college administration allowed teachers to apply innovative teaching methods such group discussions, seminar presentations, and student engagement, along with creative evaluation methods for students. 15% to 23% of teachers rated concerns such as the availability of books in the library, curriculum enhancing employability, and ICT facilities in the college as moderate.

Staff feedback analysis shows positive responses (Excellent and Good) regarding workload distribution parity, employees' placement according to job requirements or government regulations of West Bengal, work-friendly superior-subordinate relationships, and the self-respect of women in the workplace. 15% to 38% of the personnel who participated in the feedback process rated moderately on topics such as the college providing opportunities and support to the staff and their family members, and the infrastructural facilities supporting their work environment.

The meeting concluded with a vote of thanks to the chair as there were no more topics for discussion.

5. To discuss the matter regarding organization of Intra Faculty Exchange Programme by the Department of English, Philosophy and Physical Education on Stress Management.
6. To discuss the matter regarding implementation of Solar Technology and Rain Water Harvesting
7. Miscellaneous

Reports

1. The members present unanimously confirmed the minutes of the previous meeting.
2. After acceptance of IICA on 04.01.2024, SSR was submitted on 16.02.2024. From that very day onwards SSS (Students Satisfaction survey) started and after collecting reply from 7.21% of the students the survey stopped from the NAAC Authority on 23.02.2024. Data verification process (DVP) through online mode started on and from 21.02.2024 and the required documents will be submitted within 07.03.2024.
3. IQAC reported that Dr. Samana Madhuri, Assistant Professor in the Department of English of Chandrakona Vidyasagar Mahavidyalaya participated on the Short Term Faculty Training Programme on Indian Knowledge System (IKS) organized by UGC-HRDC, Banaras Hindu University in collaboration with IKS Division of Ministry of Education from 28.08.2023 to 02.09.2023. After completion of the Short Term Training Programme successfully she was selected for attaining six Days Face to Face Masters' Training Programme in IKS at Central Sanskrit University, Bhopal Campus from 26.02.2024 to 02.03.2024.
4. IQAC reported that Alumni Talk 2024 in collaboration with Department of English and Women Cell of Chandrakona Vidyasagar Mahavidyalaya has been conducted on 07.02.2024.
5. IQAC also reported that a workshop has been organized by the Department of English, Philosophy and Physical Education of Chandrakona Vidyasagar Mahavidyalaya on Stress Management as Intra Faculty Exchange Programme on 07.02.2024.
6. IQAC reported that as per the proposal adopted at the IQAC meeting (Meeting No 22) the college Authority is going to implement renewable energy sources such as Solar Technology at our college campus. The Authority purchased four LOOM SOLAR 550WATT MOMOPERK HALF CUT PANNEL, one LUMINOUS SOLAVERTER PRO 2KVA and two 150 ah Luminous Solar Battery for backup. IQAC informed that the college Authority also implemented Rain water harvesting Technology at our college premises. The rainwater will be stored at overhead tank and will be utilized for sewage purposes, the excess rainwater will be infiltrated and will promote ground water recharge in future.

The meeting concluded with a vote of thanks to the chair as there were no more topics for discussion.
